

University of St.Gallen

## AGREEMENT for academic lecturers

Between the

**Global School in Empirical Research Methods (GSERM-HSG),  
University of St.Gallen**

and

**Dr. Dirk Wulff, Cognitive and Decision Sciences, Universität Basel, Fakultät für  
Psychologie, Missionsstrasse 64A. 4055 Basel**

for the cooperation as an academic lecturer in the GSERM St.Gallen Online-Summer School 2022 from 20<sup>th</sup>-24<sup>th</sup> June 2022 with the following stipulations:

The cooperation includes the structuring of at least **24 units of time at 45 minutes each** equally shared on five days in the form of teaching "Visualizing and Communicating Data with R". The course will be taught online.

In order to inform your participants properly, we shall need the **course materials you intend to use during your course** by Sunday, May 29<sup>th</sup>, 2022.

According to the agreement, your honorarium will be in total: **CHF 5'000.00 gross**.

It is the sole responsibility of the guest speaker to declare his/her honorarium to the financial authorities according to the law in his/her country of residence.

GSERM-HSG reserves the right to adjust the compensation in accordance with the lecture time actually held.

St. Gallen, May 24<sup>th</sup> 2022

GSERM-HSG at the University of St.Gallen
